Covid Response

CASTLEMILK TOGETHER
Community Food Action

Stewart McDonald MP
2 hrs ·

This afternoon I had a zoom call with Paddy McKenna - community coordinator at Cassiltoun Housing Association - to hear about some of the incredible work going on in Castlemilk to support those in need. This couldn't happen without bag packers, delivery drivers and everyone putting their shoulder to the wheel.

I've picked up a few issues to look into and we're going to stay in regular contact, but I want to thank everyone in Castlemilk and right across the constituency for the work they're doing supporting those most in need. These are tough times for everyone and but communities are showing the solid decency of the people on which they're built.

Thank you for everything you're doing - and let's keep doing what we can to defeat coronavirus and safe lives.
